

INTERNSHIP COMPLETION CERTIFICATE

Date: [15-07-2025]

This is to certify that **CHERISH VASANT**, bearing Register Number **23BAI1177**, currently pursuing **B Tech CSE (with specialization in AI & ML)** at **VIT CHENNAI**, has successfully completed an internship program as an **Interdisciplinary Technical Content Intern** at **FlyBrand Digital Solutions, Chennai, Tamil Nadu**, creating **AI-focused content for the Electronics and Communication Engineering domain**.

The internship was conducted from **01-06-2025** to **31-06-2025** for a period of **4 Weeks**, during which the student served as a:

Interdisciplinary Technical Content Intern

Key Activities & Learning Outcomes:

During the internship, the student was involved in the following tasks:

- Researched and compiled domain-specific applications of AI (e.g., how AI supports Civil, Mechanical, ECE, and other branches of engineering).
- Created technical content explaining AI tools and platforms suitable for each industry.
- Drafted beginner-friendly yet technically sound content.
- Assisted in creating presentation materials and content structures for student-facing AI awareness campaigns.

We appreciate her active participation, curiosity in exploring AI intersections with core engineering, and commitment to deliver value through content.

We wish **CHERISH VASANT** continued success in academic and professional pursuits.
